Dance with us in Greenwich!

Protein is looking for dance and movement groups representing a range of styles from lindy hop to hip-hop, flamenco to martial arts, and everything in between. Can be a solo, duet or group. All ages.

We need your help to create a **unique outdoor event** that will bring Greenwich to life on **Sunday 4 August 2019.**

Created back in 2010, *(In)visible Dancing* has been performed in major festivals nationally and internationally bringing thousands of people together through dance.

"Protein is marvelous for involving local groups, working with them and involving them in being part of a fab production which will inspire far beyond the event."

"Excellent experience with friendly and lovely people. I loved every minute."
(Feedback from 2018 participants)

For more information on how to join in and showcase your group's routine, talent and enthusiasm, please contact Caron Loudy at Luca Silvestrini's Protein.
Tel: 020 8331 9665 Email: caron@proteindance.co.uk
