THE SHOW

Best Family Event Award 2020

Fantastic for Families

A world-famous fairytale for children and their grown-ups based on the much loved story by Antoine de Saint-Exupéry

"Grown-ups never understand anything by themselves, and it is tiresome for children to be always and forever explaining things to them" Antoine de Saint-Exupéry

Audience will join the Little Prince in this live stage show as he journeys through the exasperating world of grown-ups, meeting a king who reigns over nothing, a businessman obsessively counting stars and a vain man craving admiration from all who pass by. Along the way he meets a lone pilot stranded in the desert and together they discover the power and beauty of friendship and the complexity of love.

"All grown-ups were once children... but only few of them remember it." Antoine de Saint-Exupéry
